MEETING CANCELLATION

To: Red Rock Corridor Commission Members

From: Mike Rogers

Date: October 17, 2007

RE: Cancellation of the October 25, 2007, Red Rock Corridor Commission Meeting

The Red Rock Corridor Commission meeting for October 25, 2007 has been cancelled. The next regularly scheduled Red Rock Corridor Commission meeting is November 29, 2007 at the Cottage Grove City Hall.

The Red Rock Corridor Commission was scheduled to take action on the Alternatives Analysis Study at its October 25, 2007 meeting. However, due to scheduling conflicts, staff has not been able to present the study to all of the affected railroads. It is important that the railroads all have a chance to comment on the study prior to its approval by the RRCC. Meetings have been set for late October and early November with the remaining railroads and it is anticipated that the final Alternatives Analysis Study will come before the RRCC at its November 29, 2007 meeting.
